Office of Legislative Counsel

Wednesday - 7 January 1959

Talked with Betty Goetz, Staff Director, Senate Disarmament Subcommittee, inquiring if she had been able to discuss with the Chairman, Senator Humphrey, the question of CIA appearance and [redacted] appearance. She indicated that she had been unable to sit down with the Senator to discuss this question but that in any event the previously suggested date of 15 January is not appropriate and tentatively, pending Senator Humphrey's approval of the entire arrangement, Miss Goetz was hoping that the Agency would be able to appear on the morning of 28 January.
